

Garden Checklist

By California Association of Nurseriesmen

1. Begonia tubers can and should still be started in April. Seedling tuberous begonias are also beginning to show up in nurseries now.
2. All container-grown shrubs and trees can go in now. The sooner the better if you want to get use from them this year.
3. If you failed to get that special rose planted during bare-root season, chances are you'll find it in a container at your local nursery now.
4. Vines should be checked frequently during the growing season to make sure they go where you want them to.
5. Set out carnations from plant bands this month. Set a stake at planting time to help keep growth upright from the start.

\$4.6 Million In Phone Tax Due Tomorrow

Pacific Telephone will pay city and county tax collectors in the company's Los Angeles area nearly \$5 million tomorrow as the second and final installments on its 1958-59 property tax, it was announced this week.

First installments paid last Dec. 10 added up to nearly \$16 million. The total of both installments is about \$23 million more than the company paid during the previous fiscal year.

Largest individual check—for nearly \$4,650,000—will be given Friday to Los Angeles County. Other counties receiving second installment property tax payments are Ventura and Santa Barbara. Direct payments also are being made to the cities of Long Beach, Oxnard, Santa Barbara and Santa Paula.

Panel to Talk Youth Needs

Narbonne Area Coordinating Council will meet in the Narbonne High School multi-purpose room today at 7:30 p.m., according to Loman Carter, Council president.

Topic of the panel discussion by representatives from the various groups of the community will be "What Are Our Youth Needs in the Community?"

The meeting is open to the public. Service clubs, churches, and PTA groups are urged to send a representative.
